

INVITATION
CAPE FEAR RIVER ASSEMBLY
37TH ANNUAL MEETING
MAY 20-21, 2010
WILMINGTON, NC

The 37th Annual Meeting of the Cape Fear River Assembly will be held on May 20-21, 2010, in Wilmington, North Carolina. We hope you and your associates will attend and also to participate in the activities associated with the meeting.

The Assembly is currently pursuing a course of partnering with other organizations in order to protect the natural resource base of the Cape Fear River Basin from Southport to the Greensboro area. There are a growing number of inter-related issues facing the Cape Fear River Basin. Please join us in May and the following months and years to be part of this exciting future.

The Annual Meeting agenda will focus on selection of water resource, water quality and water flow issues in the Cape Fear River Basin and how these issues may affect communities of the Basin in the future. Come and expand your awareness, participate in the discussion of these issues, and augment your understanding and/or appreciation of the intricate balance necessary for a progressive, prosperous future that includes an abundant and safe water resource for all concerned. Renew your commitment to be an active partner and ask others to join with you, as you make a positive difference in shaping that future for Cape Fear River Basin citizens and the Cape Fear River Assembly. There is an enclosed registration form for the 2010 Annual Meeting which will be held at the Center for Marine Science, 5600 Marvin K. Moss Lane, Wilmington, NC.

The Cape Fear River Assembly Board of Directors hopes that you will choose to attend the meeting, and are encouraging you to consider also participating as a sponsor. Please note that some level of sponsorships include registrations. Sponsors are critically important for the meeting by helping keep registration costs lower and encouraging more attendance by individual private citizens. There is an enclosed sheet describing the levels of sponsorship. Sponsors will receive special recognition at the awards reception on Thursday evening of the meeting. Acknowledgement of the sponsors will also appear in the printed materials associated with the meeting.

Please advise us of your interest in an annual meeting sponsorship and the level at which you and your organization wish to participate as a sponsor by April 15, 2010, in order that we might make proper arrangements for recognition of your support. As a sponsor, you may exercise the prerogative to access a display area at the meeting for your business, agency or organization. If you are interested in a display table area, please let us know.

On May 19, 2010, prior to the official opening of this year's annual meeting, the Cape Fear River Assembly will continue one of its new initiatives, the Fourth Annual CFRA Scholarship Golf Tournament at the Wilmington Municipal Golf Course (for more information, there is a golf tournament form enclosed).

Thank you again for your continued support in the Cape Fear River Assembly. If you have any questions, please feel free to call our office at 910-223-4089.

Roger Sheats
Director
